Dear Sir:

Applicants submit herewith patent, publications or other information of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g) the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

The attached form, PTO/SB/08, provides a listing of patents, publications, or other information as required by 37 CFR 1.98(a)(i). A copy of each of the foreign patent documents and non-patent literature listed on PTO/SB/08, if any, is supplied herewith.

Because this IDS is being submitted with the Application, Applicant believes that no accompanying petition or fee is required.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. P. Lally", written over the typed name.
